.Q: Force Download PDF from an Amazon S3 resource in Java I have created a PdfViewer sample that pulls a PDF file from a S3 bucket. This PDF file is formatted as a normal PDF file. I would like the user to click on a download link that directs them to the S3 link in order to download the PDF, not just open it. This is my code. public class PdfViewer extends Application { private static final String S3_BUCKET_NAME = "mybucketname"; private static final String S3_RESOURCE_NAME = "mypdf.pdf"; public static void main(String[] args) { PdfViewer pdfViewer = new PdfViewer(S3_BUCKET_NAME, S3_RESOURCE_NAME); pdfViewer.setDisplayWindow(Display.getDisplay(null)); pdfViewer.setVisible(true); } } class PdfViewer implements PdfViewer { private String s3URL = "s3://mybucketname/mypdf.pdf"; private com.lowagie.text.pdf.PdfReader reader; private String fileName; public PdfViewer(String s3URL, String fileName) { this.fileName = fileName; this.s3URL = s3URL; setDisplayWindow(Display.getDisplay(null)); setVisible(true); } @Override public void run() { try { reader = new com.lowagie.text.pdf.PdfReader(new File(fileName)); setContent(new com.lowagie.text.
