This preset offers a balance of cool . Thursday, November 15, 2008 Well it looks like your old blog got a facelift! I also went with a new host (Hemantra.com) and the new site is better, faster and has even more features! I've been a little busy with my day job and other things, but I still find time for you all, so here are some more pictures from the past couple of weeks! This is from a family reunion at Conneaut Lake in late September. It was so nice to see my mom's side of the family and be with them for the first time in years. I love Conneaut Lake in the Fall when everything is decorated for Christmas. It's such a great place to visit! This is my mom and I on Labor Day in the front yard of my parents house. We took a little drive out to visit my grandparents in Conneaut Lake for the day. I don't think they get out to do that much anymore. This is from the summer when my mom and I visited my dad in Pennsylvania for a week. We went to see my grandparents and Aunt Kathy. My Grandpa passed away last June and I miss him so much, but I am grateful to have had the time with him 2d92ce491b
