Notes: It's very time consuming to unzip all the files, but it will be better to have a computer expert to do it. . We need to start expecting the best. It is depressing that even politicians are against the will of the people. In my state of California, an already proposed moratorium on executions is unlikely to pass in the near future. I do not want to sound like the grim reaper: death is a part of life, but I think that if we can have some justice in how it is used, it will make the world a better place. I do not believe that the practice of capital punishment, as currently implemented in America, will ever be re-purposed to help protect the innocent. This post comes out of a conversation with my six-year-old daughter. In the past few months, I have begun to have some real respect for her point of view. She is a deeply compassionate and concerned person. She is also incredibly smart and a natural leader. If our system had been different, I'm not sure she would be quite so influential.require 'jiji/query' module Jiji::Network # parse jiji cookie class Cookie def self.parse(datastr) json = JSON.parse(datastr) cookies = [] cookies_filtered = [] json["content"].each do |cookie| #only http_cookie can be used for actual data, otherwise all cookies become null if!(cookie['http_cookie']['type'].nil? || cookie['http_cookie']['type'].empty?) cookies cookie['http_cookie']['name'], 570a42141b
